## Dear Friends,

I want to say thank you to everyone who donated and volunteered with this year's backpack program. There were a few harrowing moments. Those of you connected to our outreach ministries on social media know we had to put out a last minute call for donations last week. And St. Christopher's came through. Because of your generosity we were able to support 115 families and distribute 280 backpacks loaded with school supplies. The things we do make a difference. People know St. Christopher's cares. Thank you.

Speaking of backpacks, we are kicking off our GIFT programs this fall by blessing backpacks at the 9:30 service on Sunday, September 10. Please spread the word with the people you know who travel with children. It will be a reminder that God goes with us wherever we go, and that includes school. A parent I know who is an electrician asked if they could bring their tool bag. Sure! Yes! If you'd like to bring your laptop case, or your lab coat, or your hard hat, please do! God goes with us to work, too!

Thank you for spreading the word,

*Penny*
