Dear Friends,

I want to shout out a couple of groups who hosted events last weekend. On Saturday the Accessibility Committee presented another instalment in its education series, this time "Living to Support Living with Alzheimer's." The speaker from the Alzheimer's Society was extremely skilled, wrapping our learning about dementia, tips for care partners, and strategies to promote our own brain health with ample humour. Engagement with Ms. Saeed's presentation was lively! Then on Sunday the Climate Justice committee presented an immersive learning experience around creating conditions for pollinators to flourish. It was an excellent way for St. Christopher's to observe Earth Day. Thank you to both groups!

We are publishing the May Messenger today. It is full of news and information! I want to mention just three events out of the many opportunities coming your way. Please take note of the flag raising on May 17 at 11am, Jazz Vespers on May 17 at 4pm, and Music in the Garden on May 22 at 6pm. We'll be seeing you!

You're invited!

Please join Penny for a two-part series to find out about the many ways you can connect with our congregation. It's an opportunity to meet some St. Christopher's people. And it's a chance to ask questions and find out more about how things work at our church.

These two evenings are designed for people who have recently arrived at St. Christopher's, but they are open to anyone who wants to know more about our church, and anyone who wants to find new ways to connect at St. Christopher's!

Please mark your calendar and plan to join Penny at the church on Wednesday, May 6 at 7pm, and Wednesday, May 13 at 7pm.
